At completion of the course all students shall be re-assessed on their final home interior decor and design projects.

Students are assessed as competent following successful completion of all course Units of Competency and submission of a major home design assignment. Each successful student shall then be certified as competent to perform tasks necessary for carrying out home interior decorating and design or home start consulting services competently and professionally either independently, as a sole practitioner or employee of a company.

On completion of the course each successful candidate shall be presented with a certified **"Interior Decor and Design Practical Completion Certificate"** in all Units of Competency completed.

Mentoring will be available for graduates wishing to become self-employed.

COURSE DEVELOPMENT

Judith Molyneux has provided professional interior design services for over 30 years to home decorators and renovators, home developers, home start consultants, retail business owners and decoration and design company employees. Previous Seminars were run over 8 – 10 weeks and

HOME INTERIOR DECOR & DESIGN COURSES

week-end workshops. Upon completion of these seminars and workshops, attendees repeatedly enquired about further extension courses available to them with a view to future employment prospects.

As a result of the past seminars and workshops Judith has written and compiled the **Home Interior Decor and Design Course**. This course has been developed specifically for persons wishing to pursue a career as a self-employed consultant or employee of a builder or building company, décor, design or soft furnishing retail outlet or specialist consultant to product, building and design service providers.

Over the past 20 years, Judith Molyneux has conducted many professional design courses. Many of the graduates are now self-employed or employed within the retail, building and design industries.

SIMILAR COURSES

There are full time and part time interior design and decor courses available through TAFE and other institutions and organizations.

There are private courses and correspondences courses available through the web however these courses may not be recognised by the building and retail industry or the designing and decorating professions.

TAFE accredited certificates, diplomas or degrees may or may not enhance your opportunities for employment however applicant attitude, personal skills and degree of relevant knowledge and experience are more widely regarded as essential criteria for job prospects.

Accredited courses are conducted at Registered Training Organizations (RTO) such as Central TAFE and registered annexes. Attendance is generally full time over several years.

The Home Interior Decor and Design and TAFE courses are compiled and written using the **National Training Information Service Units of Competency**. The Home Interior Decor and Design Courses minimize course venue contact commitments allowing self-perpetuating study timetables.

At the completion of the course graduates shall receive an **“Interior Decor and Design Practical Completion Certificate”** listing all units successfully completed.

Completed Units of Competency may be used for **(RPL) “Recognition of Prior Learning”** when applying to TAFE for further study in Interior Decoration and Design.

The School of Interior Decor and Design courses specializes in home décor and design, kitchen and bathroom design and prepares the student/graduate for self-employment or employment within industry retail, wholesale, manufacturing or building companies, specializing in home decorating and design, kitchen and bathroom design and home start consulting.
